Partnering with Parents

How you can help your child in their learning of Mother Tongue Languages?

Partnering with Parents

- Creating a Conducive Learning Environment at Home.
- Show interest in your child's learning experiences and encourage him or her to share them with you. Completing language tasks together with your child is also one way to bond with them.

Partnering with parents

Vegetable Salad Making

Partnering with parents

- Bring your child to the library or bookshops to cultivate a reading habit.
- Make use of objects in your environment such as road signs and advertisements to engage your child in conversations.
- Encourage your child to learn through meaningful language games.
